

Indoor Absorbent Printed

With almost infinite colour combinations, these logo mats can be printed in standard sizes, custom lengths and custom sizes up to 200 cm wide for loose lay or in recessed frames allowing tailor made matting solutions. This superior dust control mat is densely tufted to ensure a high water absorption capacity and dirt removal for a truly effective solution. A durable vinyl backing with smooth finish adapts to any surface. The BrilliantStep™ printing method ensures brilliant colours all the way through with a colour fastness that is ensured, in accordance with DIN54006

198

It can be fully customized with the state-of-the-art printing technology allowing 3-dimensional effects, fine lines and colour shading, for each mat to have its truly individual image.
